of Parent Education!**

Keeping Our Children Safe: Let's Talk about Body Safety

**Presented by the Children's Advocacy
Center of North and Northwest Cook
County (CAC)**

**THE CHILDREN'S
ADVOCACY CENTER**
OF NORTH & NORTHWEST
COOK COUNTY

Healing children one story at a time.

Come and learn what parents need to know to prevent and respond to child sexual abuse. Learn more about what our children learn in school that will keep them safe (Erin's Law) and how your family can build on that information, including how to have a conversation about safe touch and identifying safe people your children can trust.

**Brought to you by
East Prairie School and the EPS PTA
Thursday, April 18, at 7:00pm
East Prairie Gymnasium**

Why is this presentation important?

- About one in seven girls and one in 25 boys will be sexually abused before they turn 18¹
- Only about 38% of child victims disclose their abuse²
- Nearly 70% of all sexual assaults occur to children ages 17 and under³
- About 90% of children who are victims of sexual abuse know their abuser⁴

Presenters from the CAC:
